VOL. LIII. OAKLAND, CALIFORNIA, TUESDAY EVENING, JUNE 5, 1900. NO. 133

LONDON, June 5, 12:47 p. m.--The war office has issued the following dispatch from Lord Roberts:

PRETORIA, June 5, 11:40 a. m.--We are now in possession of Pretoria. The official entry will be made this afternoon at 2 o'clock.

LORD ROBERTS IS NOW IN PRETORIA.

The British General Makes a Triumphant March Into the Capital of The Boers.

Hundreds of English Prisoners are Released—London Is Wild with Joy Over the News.

Federalists Have Not Given Up the Struggle—Take Their Guns to Hills and Prepare to Fight.

LONDON, June 5.—At 2 o'clock this afternoon, eight months after the declaration of war, Lord Roberts entered Pretoria.

While the Commander-in-Chief of the greatest army Great Britain ever put in the field was fulfilling the promise he made to the Guards at Bloemfontein, to lead them into the capital of the Transvaal, England was celebrating the event with wild enthusiasm.

Throughout the length and breadth of the country the news spread like wildfire. Based on the recollection of recent European war, when the European enemy's capital signified the end of hostilities, Lord Roberts' terse telegram was taken universally to mean the practical finish of the war which has tried Great Britain's military resources as they never were tried before. In London the Mansion House and the War Office almost instantaneously became the centers for jubilant throngs.

Flags again appeared as if by magic and traffic had to be diverted through other streets. Hatless and coatless men and boys ran through the city alleys to see for themselves the bulletins announcing the good news, and staying to join in the thunder of cheers or to add their voices to the joyful throngs singing "God Save the Queen." Hats hoisted from thousands of heads were waved in exultant hands and shimmered like a coal bed in the sun. Old men on top of the omnibuses and aldermen from the windows of the Mansion House encouraged the crowds to still further effort.

The premature report of the fall of the Boers' stronghold did not seem to have taken the edge off today's celebration. Lord Roberts' Six Mile Spruit dispatch was hardly printed by the "extras" before the Union Jack of the War Office was hauled up the flagstaff and the brief message was passed from mouth to mouth, *"Pretoria is occupied."*

GEN. FRENCH'S MOVEMENTS.

Those who had a chance to read Lord Roberts' account of the resistance encountered yesterday were at that moment commenting on the probability of a fierce fight before the city was occupied, and were wondering at the Boers' capabilities to make such a determined stand when Pretoria was hemmed in on all sides.

The pressure of General French north of the Boer capital came as a surprise and explained the Commander-in-Chief's retriever anent the position of the energetic cavalry leader. It was evident that Lord Roberts delayed attacking until all his column was ready to co-operate, but even when Lord Roberts wired last night that this was accomplished, there seemed a possibility of some fighting, so when the next dispatch was given out it came as a surprise.

Judging from Lord Roberts' phraseology, the occupation of Pretoria was not accompanied by any loss of life.

What has happened to the Boer forces which so insistently opposed the British advance at Six Miles Spruit can only be surmised, but presumably they have got away for the present at any rate.

BRAVE BOER GENERALS.

The latest dispatch from a representative of the Associated Press at Pretoria, dated June 3d, quotes General Botha as saying:

"So long as we can still count on our thousands of willing men, we must not dream of retreat or throwing away our independence."

General Botha, it is added, annulled the regulations appointing a special committee to preserve order, substituting military control for that of the committee.

General Lucas Meyer, addressing the burghers on the church square, urged them all to stand fast.

Thus, though their efforts were futile, it is evident that a few faithful Boer generals worked desperately to resist the overwhelming force of Lord Roberts' army.

The War Office has information that one of the first things done by Lord Roberts after the occupation of Pretoria was to direct General French to relieve the British prisoners confined at Watervale.

DEATH OF NOTED NURSE

CAPE TOWN, June 5.—Miss Mary H. Kingsley, the traveler and niece of Canon Kingsley, is dead at Simonstown, where she had been superintending the nursing arrangements of the military hospital.

PITIFUL TALE OF MRS. STARE.

Fled From the State in Order to Save a Brutal Husband.

The arrest for drunkenness last night of Mary E. Stare, a woman for whom the police have been searching for nearly three years, recalls one of the most brutal crimes, short of actual murder, that has ever been committed in this county.

Three years ago Mrs. Stare was living with her husband, S. L. Stare, in a hovel on Second and Jackson streets. Stare seemed to be a dissolute fellow and his wife was compelled to support him and herself by working out by the day. He frequently beat her and one night, while intoxicated, he assaulted her with a hatchet, beating her over the head with the sharp instrument and finally leaving her bleeding and unconscious upon the floor of her house.

She was found later by neighbors who were attracted by her moans and removed to the Receiving Hospital for treatment.

Then she was taken back to her home and for days she lay between life and death, while her brutal husband awaited trial in the City Prison for assault with a deadly weapon. While she was still confined to her bed, Mrs. Stare swore to the complaint against her husband before Police Court Clerk Hennessey, who went to the house for the purpose.

The trial was postponed by Judge Allen, then the police magistrate, to allow Mrs. Stare to recover, but when she was able to move she suddenly disappeared and she was not seen again in Oakland until last evening, when she was arrested by Patrolman Arnest on a charge of drunkenness. At the City Prison she was recognized by Jailer Curtiss and she was also booked as a defaulting witness.

"Fear of my husband caused me to leave Oakland and not try to prosecute him," she told Police Judge Smith this morning. "I went with my brother to Portland, Oregon, where I remained for two years and then returned to California. Since my return I have been working with a good family in San Francisco, and if I am not allowed to go I fear I will lose my place. I was never arrested for drunkenness until last night. I am not addicted to the use of intoxicating liquors. Ever since my husband beat me with the hatchet I have been subject to fainting fits and last night, when I came to Oakland I had such an attack and fell on the sidewalk. A kind lady, in front of whose house I fell, gave me a glass of brandy, and I remember nothing more."

When she left Oakland Mrs. Stare was young and comely looking. Now there are deep lines across her face, her cheeks are sunken and her once raven locks are iron gray. Judge Smith continued both cases until tomorrow morning.

WOMEN'S CLUBS IN CONVENTION.

Associated Press Dispatches by The Tribune's Special Leased Wire.

MILWAUKEE, June 5.—Nothing could have been more auspicious than the formal opening the the fifth biennial convention of General Federation of Woman's Clubs today.

The Alhambra Theater, which seats 2,000, was crowded.

Following the addresses of welcome by David S. Rose, Mayor of Milwaukee, Mrs. James Sidney Peck, for the Woman's Club of Milwaukee, and Mrs. Arthur Neville, for the State, Mrs. Lowe, the Federation president, delivered her biennial address.

Discussion of the important questions to come before the convention began in earnest today with meetings of State delegations.

One of the side meetings of the morning was of presidents and ex-presidents of State Federations.

Mrs. Bookwalter of Ohio made the address of welcome, and Mrs. William Tod Helof of Chicago presided.

Following the biennial address of Mrs. Lowe, fraternal greetings were exchanged. Mrs. Theodore Birney of Washington, president of the National Congress of Mothers; Mrs. Hannah Solomon of Chicago, president of the National Council of Jewish Women, and Mrs. Fannie Humphreys Gaffney of New York, for the National Council of Women, made brief addresses.

If the Massachusetts women decide to publicly protest against the rejection of the colored club of Boston, it may come up late this afternoon, when Mrs. George Noyes of Milwaukee makes her report on credentials. The Massachusetts delegation has drawn up a resolution objecting to a color line and only awaits an opportune time to present it.

Reports of committees were read this afternoon.

The Corresponding Secretary said in the last two years 150 clubs and six State federations had been admitted, making a total of 684 individual clubs in the general federation with a membership of 65,000 and thirty-six federations of 2,675 clubs with a membership of 155,000.

W. E. GREENE MAKES REPLY.

Superior Judge Answers Statements Made by Senator Geo. C. Perkins.

Editor TRIBUNE:—In your issue of last evening appeared a communication in the following words:

"WASHINGTON, June 4.—Editor TRIBUNE:—While Bill for Civil Government of Hawaiian territory was pending at the last Congress I joined our Congressional delegation endorsing Judge Greene. I have not since qualified anything I said in his favor. The bill, however, failed to pass that Congress. The present law was enacted only a few weeks since. From a source deemed reliable I was informed that the appointment would go to another State unless secured by Mr. Estee. I therefore recommended Estee as an able lawyer and honest man. I believe he will make an excellent judge.

"GEO. C. PERKINS."

The endorsement which Senator Perkins refers to as having been made by our Congressional delegation in which he joined was drawn by Congressman Metcalf and was in the following words, to wit:

"To the President of the United States: We do most earnestly and respectfully recommend for the position of United States District Judge for Hawaii, the Honorable William E. Greene of Oakland, California. Judge Greene has been on the bench in this State for a continuous period of over eighteen years, and is now one of the Judges of the Superior Court of this State in the county of Alameda. He is a man of unimpeachable integrity, of high judicial attainments, and we know that his appointment would meet with the general approval of the bench and bar of the Pacific Coast."

It will be noticed that the Senator says, regarding that endorsement: "I have not since qualified anything I said in his favor."

There can be no doubt from this language of the Senator that he means to say that he did not withdraw his endorsement of myself, or do anything to qualify it from the time the endorsement was made to the present, and that his endorsement of myself had been left in full force up to the time Mr. Estee was nominated by the President.

That all he did was to recommend Mr. Estee as an able lawyer and an honest man, and that he did this only when he was informed from a source which he deemed reliable that the appointment would go to another State unless it was secured by Mr. Estee. This means, of course, that he went so far only as to say to the President that Mr. Estee was an able lawyer and an honest man. The Senator's memory would seem to be singularly erratic in this regard, to say the least. This, I think, will be conclusively shown by the positive statements of Senator Bard, found in a letter of recent date from him, addressed to Senator Taylor of this county, which is in the following words:

"United States Senate, Washington, May 25, 1900.

BLACK DEATH REAPPEARS IN HAWAII.

Recent Death of White Man from the Plague.

Associated Press Dispatches by The Tribune's Special Leased Wire.

(Correspondence of the Associated Press.)

HONOLULU, May 29, via San Francisco, June 5.—There have been rumors of the reappearance of the plague, which are denied by the health authorities.

Alexander Crissholm, a native of Nova Scotia, died May 25th, after suffering for six days from what was said to be malaria. An autopsy revealed swollen glands, and his funeral was interrupted by the health officials, who cremated the body.

Two more quarantine stations will be established at Hawaiian ports as soon as the new laws go into effect, and the local government will be thoroughly relieved of the task of sending a physician out to board all incoming vessels.

The new stations will be at Hilo and Kahului. Officers of the United States Marine Hospital service are already on the way here from Washington to take the new positions.

Arrangements are being made by citizens for a grand celebration of Territorial Day.

Governor Dole is considering the advisability of calling a special election of a Legislature to meet prior to the regular session.

L. C. MOREHOUSE COMING HOME.

Mr. and Mrs. L. C. Morehouse of San Leandro will leave Paris for home on June 11th.

Choice refreshments were served and the jolly party did not break up until a late hour. In the card games four prizes in sterling silver were offered, the fortunate winners being as follows: First prize, Louis Jackson of San Jose; second, H. T. Coombs; third, Mrs. Nobman, and fourth prize, Mr. Higgins.

NEWS NOTES FROM THE ENCINAL CITY.

ALAMEDA, June 5.—The family of E. J. Miley of San Francisco has taken the residence 1820 Clinton avenue. Mr. Miley is operating in oil in the McKittrick district, Kern county, and the parties with whom he is interested are preparing to sink three wells at once.

REPUBLICANS SWEEP OREGON.

PORTLAND, Or., June 5—11 A. M.—Incomplete returns from the State indicate the election of Wolverton, Republican, for Supreme Judge, by from 8,000 to 10,000 majority; Bailey, Republican, for Food and Dairy Commissioner, by the same majority. In the First Congressional District, Tongue, Republican, for Congress, is elected by 1,500 to 2,000 majority, a gain of from 500 to 1,100 over his last election. In the Second Congressional District, Moody, Republican, for Congress, is elected by 8,000 majority. Conceding the Democratic claim that the entire Fusion legislative ticket in Multnomah county is elected, the Republicans claim that the State Legislature, which will elect a successor to United States Senator McBride, will have a Republican majority of ten or eleven.

FUSIONIST CLAIMS.

PORTLAND, Or., June 5.—Returns from yesterday's election are coming in very slowly. Moody and Tongue, Republicans, are elected to Congress. At Democratic headquarters it is claimed that the entire Fusion legislative ticket in Multnomah county is elected. If this claim holds good the next State Legislature will be very close, with probably a small Republican majority. For Mayor of Portland, Rowe, Republican, is slightly in the lead.

HE POISONED HIS EMPLOYER'S COW.

The warrant was issued by Deputy District Attorney Phil M. Walsh and placed in the hands of Constable Cramer to serve. Smith formerly worked for James and objected to leaving when he was told that his services were no longer needed. The crime is a felony.

SMALLPOX EXISTS IN ALLENDALE

Editor Tribune: I was much surprised to see the notice in last Friday's issue of your paper that Chief Health Officer Emery had reported that the case of smallpox which I had reported as existing in Allendale was not smallpox, but scarlet fever.

Dr. Emerson visited the patient with me last Saturday and diagnosed the case as one of smallpox. He assisted me in hanging out the yellow flag which is an emblem of the disease, and left explicit instructions as to the quarantining of the afflicted family. After having done this I cannot understand his report.

NEW BICYCLE ORDINANCE FOR THE ENCINAL

Ordinance Introduced at Session Last Evening.

ALAMEDA, June 5.—The ghost of the bicycle ordinance walked last night at the session of the City Fathers. Just before sojourning Trustee Forderer called attention to the fact that since City Recorder St. Sure had declared the moonlight schedule lantern ordinance invalid, in deciding the case against School Director Otis, the city was without a provision for either a bell or light on bikes. He said there was need of an ordinance. If the other ordinance had been declared inoperative, because it was indefinite as to the moonlight feature, a new one could be drawn and he introduced the following rough draft of an ordinance which he thought would cover the case:

"The Board of City Trustees do ordain as follows:

Section 1. Every person using a rubber tire vehicle propelled by the occupant must carry a lighted lantern thereon after 6 o'clock in the evening, from the 1st of October to the 1st of April and after 8 o'clock p. m. from the 1st of April to the 1st of October.

Section 2. Every person violating the provisions thereof shall be deemed guilty of a misdemeanor.

"Of course this is merely introduced," said President Brick, "and can be amended. We don't want any more baby buggy business. (laughter.) Let the bicycle riders come up here at the next meeting and tell us what they want. There is no use in passing an ordinance and having to rescind it at the following meeting as was the case before.

"I do not believe in over-riding the opinion of our City Attorney. He advised us that the last bicycle ordinance would not hold and now the Recorder has declared it invalid. There is no use rushing into these things."

Messrs. Brick, Forderer and Schulte were present at the regular session of the Board of City Trustees last night.

Superintendent of Streets Frodden made a report on the matter of the Oakland Transit Company's failure to put their tracks in order on Park street.

He said the bitumen was still crumbling away about the holes dug by the company and the street was in a bad and dangerous condition. Accidents were likely to occur at any time. He had notified the street railway company to raise their tracks to the official grade and put it in order as requested by the Trustees, but they had treated the matter with indifference.

The road officials had pleaded excuses saying they had received no new rails as yet to put in. Mr. Frodden thought that some immediate action was required.

STARTLING LANGUAGE IN THE HOUSE

WASHINGTON, June 5.—There was a riotous scene in the House this afternoon during a clash between Mr. Lentz of Ohio and Mr. Hull of Iowa, growing out of a bitter attack on General Corbin by the former. The matter culminated when Mr. Lentz intimated that General Corbin appointed the sons of Congressmen in the army to help along his promotion. Mr. Hull frankly admitted that he had a son in the army. He aroused his side to cheers when he proclaimed that he thanked God that he had sons who could fight for the country.

"I thank God," said he, "that I am not one of those anonymous creatures who are unable to perpetuate their species."

Cheer after cheer greeted this shot, and when Mr. Lentz replied that if he had a son he would be able to support him, the hall of the House was sibilant with hisses.

The confusion was general and order was with great difficulty restored.

FINK MUST PAY HIS WIFE ALIMONY.

Judge Hall has handed down a decree in the Fink divorce case denying Mrs. Fink a legal separation, but awarding her $85 a month for the support of herself and daughter. Mrs. Fink asked $100 a month, but the Court, after hearing testimony as to the value of Fink's property interests, decided that $85 would be an adequate amount. Fink is a commission merchant doing business in San Francisco. His property is valued at about $25,000.

The trial of the case has been sensational in many ways. Mrs. Fink charged her husband with cruelty. Fink charged his wife with having been too free in receiving attentions from other men. Judge Hall found that both were culpable. He refused, however, to grant them a legal separation.

KIND WORDS FOR STEPHEN CRANE

LONDON, June 5.—The afternoon newspapers chronicling the death of Stephen Crane, speak in warm terms of the American novelist. The St. James Gazette says:

"The loss of one of the most brilliant of present day writers will be as deeply felt by the English as by the American nation."

LITTLE PROPERTY LEFT BY CAPTAIN THOMAS.

Mrs. Irene Watson has applied for letters of administration on the estate of Richard P. Thomas, who died on May 28th of this year. The estate consists of stocks, bonds and realty in Berkeley to the value of $10,000.

SMALL BOY HAS HIS LEG BROKEN.

Robert Barclay of 573 Third street, aged 8 years, had his left leg broken this morning near the ankle. He was running about a wagon loaded with clay when one of the pieces fell off and struck him on the leg. The injured boy was treated at the Receiving Hospital by Dr. Ewer.

STREET CAR IS BLOWN UP IN ST. LOUIS.

Members of Sheriff's Posse Slightly Injured.

Prominent Citizens Urge the Government to Order Out Militia.

ST. LOUIS, Mo., June 5.—A committee of fifty prominent business men have sent a communication to Governor Stephens, asking him to order out the militia to restore order in St. Louis.

Ex-Governor W. J. Stone, attorney for the strikers, today presented the amended demands of the men to the officials of the St. Louis Transit Company. The exact conditions of the amended proposals cannot be learned at present, but it is known that President Whitaker promptly turned them down. He said he would insist that all of the 1,000 men now at work on the Transit lines be retained, and added that if the strikers wished to return to work they must do so at once or their places would all be taken, as additional non-union men are coming in daily from other cities.

A special car carrying Company H of the posse comitatus ran over explosives on the track at Fifteenth and Washington avenue and at Twenty-second street and Choteau avenue. The first explosion did not amount to much, but the second was a heavy one, lifting the car three feet in the air and throwing the occupants to the floor. The floor was blown up and the roof damaged.

Fifty-four men were on the car. F. Fleischman and Sam Swartzberg were slightly injured.

The explosion aroused the neighborhood, and in a few minutes about 5,000 people were on the scene. They hooted the deputies and soon began to throw stones. Somebody commenced to discharge a revolver at the car. Then the deputies were ordered to use their guns. They fired in the air as they charged the crowd.

The shooting had the desired effect, and in a few minutes the crowd was out of sight. As far as known, none of the assailants were hurt.

Special Deputy Sheriffs, members of the posse comitatus, are on guard today at all car sheds and power houses. Sheriff Pohlman continues to send out summons and is to swear in the citizens as they arrive in his office. When his office closed last night the Sheriff had sworn in and armed a few more than 1,000 men. It will be several days before the full complement of 2,500 is secured. Many of the police who have been guarding the sheds and power houses have been ordered back to the regular beats. Enough officers to guard the street cars, however, will be retained for that purpose. Cars which pass through the disturbed districts contain very few passengers.

PETTIGREW GETS A BLAST FROM HANNA

Warm Words in Senate Over Campaign Slanders.

Associated Press Dispatches by The Tribune's Special Leased Wire.

WASHINGTON, June 5.—At the opening of today's session of the Senate, at 12 M., the chaplain in his invocation referred to the bereavement of former Senator John Sherman in the death of his wife. He spoke of her as "keeping her homebred virtues and showing to all the type of a divinely noble Christian character."

When the anti-trust bill was laid before the Senate Mr. Pettigrew of South Dakota moved to proceed with its consideration.

Mr. Gallinger of New Hampshire moved to refer the matter to the Committee on Judiciary.

In the course of a speech on the subject, Mr. Lacon of Georgia said he was profoundly surprised that the statement made a few days ago by Mr. Pettigrew that the Cramps, the shipbuilders of Philadelphia, had contributed $400,000 to the Republican national campaign fund of 1892, with the promise that they would be recouped by contracts for the building of warships, had not been denied. He regarded it as a most remarkable statement and directed attention to the fact that Mr. Hanna and Mr. Carter, intimately connected with that campaign, were in the chamber and heard the statement.

Instantly Mr. Hanna was on his feet.

"If," he said sharply, "I should undertake to reply to all such statements made on this floor, I would occupy more time of the Senate than even the Senator from Georgia does. (Laughter.) I heard the statement and considered it unworthy of notice, and I declined to dignify it by a denial. I had nothing to do with the campaign of 1892, but I have heard this story, and I say most emphatically and decidedly that I believe it is not true. So far as such allusions are made to the campaign of 1896, I desire to say that no promises were made, no considerations were offered to any person or any corporation for contributions made."

Mr. Carter warmly denied any improper use of money in 1892, and stated as false any statement that promises were made.

Mr. Pettigrew followed with assertions that Cramp had told him that he gave $400,000 in 1892, and said it was improperly spent. Mr. Pettigrew then took up the minority report of the Committee on Privileges and Elections which investigated the charges against Senator Hanna and read from it at length.

Mr. Hanna briefly reviewed the Ohio Senatorial election, saying there was an attempt "made by Democrats and traitorous Republicans, like the Senator from South Dakota," who attempted to defeat the nominees of the Republican party for Senator.

Mr. Hanna continued in denunciation of Mr. Pettigrew's course, saying that he "sometimes doubted the sanity of the man in putting such rot as he did in the record and expect people to believe it."

BOER ENVOYS HEAR THE NEWS FROM PRETORIA

Says the Burghers Will Keep Up Guerrilla Warfare.

Think the Trouble in China a Diversion in Their Favor.

Associated Press Dispatches by The Tribune's Special Leased Wire.

CHICAGO, June 5.—The Boer envoys arrived here this morning, but the welcoming words of the Reception Committee were half lost in the shouts of newsboys crying, "All about Pretoria surrendered."

The news of the fall of the Transvaal capital was received calmly, almost indifferently it appeared, but this was explained by Mr. Fischer, who said:

"The news does not come as a surprise. The fight will continue."

Mayor Harrison headed the Reception Committee, but he was momentarily put in the background by an enthusiastic man, who although unknown to the committee, rushed up the steps of the car from which the Afrikanders were about to alight.

"On behalf of the Democracy which I have supported for twenty-seven years," he declared in a loud voice, "I bid you welcome."

The envoys looked somewhat surprised at the incident, but were soon put at ease by the Mayor, who, after turning the intruder over to a policeman, accompanied the party to the Auditorium Annex, where breakfast was eaten privately. The party consists of M. Fischer, C. H. Wessels, A. D. W. Wolmarans, Montagu White, Secretary de Bruen and Mrs. Fischer.

At the hotel Mr. Wessels read the Associated Press dispatches announcing the fall of Pretoria.

"It is true. There can be no doubt of that," he said. "It means that organized resistance on a large scale will no longer be the problem presented to Lord Roberts in South Africa. It means that from now on the Burghers will pursue much the same tactics adopted by the Filipinos. We may surrender, but we will never be conquered. Pretoria was well fortified, but our generals saw that it was useless to stand a siege when they had but 30,000 men to combat the enemy's 60,000. They have withdrawn in good order, no doubt, and are still able to fight. And Pretoria has been saved from a bombardment which would have wrecked it. Think! Lord Roberts has with him twice as many fighting men as there are men, women and children in Pretoria. Was it not wise, then, to retreat in the face of such odds? I half expected that there would be a battle outside of the city, but still I am not surprised. Doubtless the situation has changed considerably since I left.

"The outcome of a guerilla warfare, generally, is not in favor of the guerillas, but in our case we hope for a change in European affairs which will aid us. If we are still able to fight and the European nations become involved over some question—China, for instance—I have no doubt we could get the best of terms, probably our independence.

"That the Boers, as you call us, although we call ourselves 'Afrikanders,' are good fighters, the world realizes. Hardly a battle has been fought in which we have not been outnumbered twenty to one. And we have not lost a gun. Can the British say as much?

"Concerning our reception in this country, I will say that the envoys are convinced that nine-tenths of the people are in sympathy with our cause and believe it to be just."

"You do not now expect any country to interfere with the English?" Mr. Wessels was asked.

"Why not," he answered, "Has there not been a great deal of interference, one with another, in China?"

HAYWARDS FARMER DEFIED THE LAW.

Officers Surrounded His House and He Surrendered.

HAYWARDS, June 5.—Henry Hografe, the Redwood canyon rancher for whose arrest a warrant was recently sworn out by G. Toyne on a battery charge, led the officers a lively chase last Saturday night.

Hografe had been previously summoned on the charge, but refused to go to court.

Saturday Deputy Constable Pann was sent out to bring him in. Meeting him at Stanton's corner, Pann told him that he had a warrant for his arrest. On hearing this Hografe immediately whipped up his four horse team, and though Pann attempted to seize the leaders he was knocked to one side and the team went dashing down the long hill.

Pann returned to town, and Deputies Lake and Dohlnes were immediately dispatched to Hografe's home with orders to bring him in at all hazards. They found him in bed, and at first he refused to get up. When told that he would be handcuffed and carried in a blanket, he finally agreed to accompany the officers to town. Arriving here, he was forced to awaken one of his friends in order to borrow the $50 bail which was required.

Yesterday morning Hografe pleaded guilty to the charge before Judge Quinn of San Leandro and was fined $15 and costs.

CHILDREN'S CELEBRATION.

The Children's Day exercises at the Presbyterian Church last Sunday morning were most successful. GIVES UP POSITION TO ESCAPE ALIMONY.

John Wroute, colored, evidently thought it cheaper to leave the city than to remain and face his ex-wife's demands for unpaid alimony. He was cited a few days ago to appear before Judge Ellsworth this morning to give reasons, if he had any, why he should not be punished for contempt of court. When the case was called today Mrs. Wroute was present, but Wroute did not put in an appearance. Attorney H. S. Aldrich, who represents Mrs. Wroute, stated that he had been informed that Wroute had given up his position and fled from the city. He said he would swear out a warrant for Wroute's arrest.

The Wroutes were divorced in December of 1898. Wroute was ordered to pay $20 a month alimony for five months and $12.50 a month afterward.

SERVICES AT THE JEWISH SYNAGOGUE.

The pentecostal services at the First Hebrew congregation's synagogue were of a brilliant character. A large choir and orchestra, under the direction of W. J. McCoy, rendered the music. The floral decorations were elaborate, having been arranged by the following named ladies: Mrs. A. Alexander, Mrs. Hugo Abrahamson, Mrs. Henry Kahn, Mrs. Sam Ellseer, Mrs. M. M. Samson, Miss Flora Tobriner and Miss Tessie Magnus.

At the confirmation services the opening address was delivered by Miss Dora Keller. Miss Fannie Silverstein offered the prayer and Miss Lucie Jacobs recited the consecration address. The closing prayer was said by Miss Sadie Ringolsky. Arthur Cerf delivered an address on "Jewish Pride." The subject of Miss Minnie Coffee's address was "Education of the Present Woman."

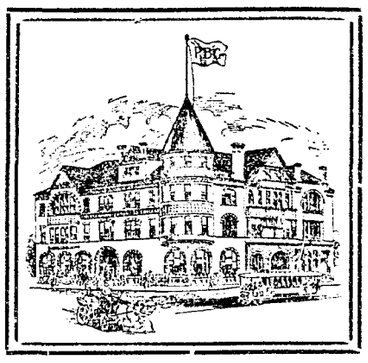

Rabbi Friedlander conducted the confirmation exercises. Following is the class: Dora Keller, Sadie Ringolsky, Fannie Silverstein, Francis Cohn, Minnie Coffee, Lucie Jacobs, Phil Ringolsky and Arthur Cerf.

MAYOR SNOW MAKES APPEAL TO COUNCIL.

Says the Gutters Are a Disgrace to the City.

Wants More Money in Order to Keep Streets Clean.

At the meeting of the City Council last night the following message from Mayor Snow was referred to the Street Committee:

"Gentlemen: I desire to call your attention to the insanitary and unsightly condition of the street gutters throughout the city and to urge your immediate and favorable action upon the request of the Board of Public Works by resolution No. 3,787 in relation thereto.

"This request for authority to clean the street gutters was sent to your honorable body on May 17, 1900. Every day of delay renders the work more difficult to perform and will increase the expense.

"The Board of Public Works will, I believe, ask your honorable body for legislation that will enable the Street Department to keep the streets clean hereafter, but the long neglect of the street gutters renders a thorough cleaning necessary before anything else can be done."

TOOK HER CHILD AND FLED FROM CITY.

The Detectives Hunting for Mrs. Watkins.

The Husband Went to Law and She Went Away.

The filing of a petition by W. E. Watkins of 512 Eighteenth street for letters of guardianship over his 4-year-old daughter Hazel yesterday resulted in the disappearance of Mrs. Watkins and the child.

An order is now out to restrain Mrs. Watkins from leaving the city with the child.

The railroad stations are being watched by officers for this purpose.

Watkins is employed by the United States Laundry. About four weeks ago he and his wife had a falling out and have not since patched up their difficulties.

Finally Watkins announced his intention to apply for letters of guardianship over their child. He made the application yesterday. When he returned he found his home deserted. His wife had fled, taking the child with her. Through Attorney F. W. Fry Watkins secured an order from Judge Hall restraining Mrs. Watkins from leaving the city. Up to the present time no trace of Mrs. Watkins has been found.

It is understood that she intended to go to Sacramento.

Watkins refuses to state whether or not the present difficulties between himself and wife will result in divorce proceedings.

A Neighborhood Row.

Rosco Hanifone was arrested yesterday on a charge of battery preferred by T. R. Wright and he retaliated by having Wright arrested for a similar offense. The two small brothers of the men quarreled and Hanifone and Wright took sides, the result being that they soon became engaged in a fist fight. They are neighbors at Thirty-sixth and Market streets.

Estate of Nancy A. Burch.

ALLENDALE IS TO THE FRONT.

Will Soon Have a Fine New Church Building.

ALLENDALE, June 5.—On Thursday evening, May 1st, the Epworth League of Allendale M. E. Church gave a literary and musical entertainment in Allendale Hall, which was well attended by a most orderly and appreciative audience. The musical feature of the program deserves special mention. Besides a number of well rendered vocal and piano solos and a violin duet by Messrs. Nygren and Marshall, Professor Moorman, the "one-man orchestra" rendered a number of selections in a most pleasing manner, operating seven instruments in concert.

Following the regular program was a short address by the pastor, Allen Kennedy, in which he congratulated the Epworth League and the people for their enterprise during the past few months. He then introduced Rev. B. F. Paddock, pastor of the Twenty-fourth avenue M. E. Church, Rev. Milnes, pastor of the Higgins M. E. Church, Rev. Rhoda, pastor of the Fruitvale Presbyterian Church, and Rev. Stone, pastor of the Centennial Presbyterian Church. Each of these pastors spoke briefly but most appropriately upon church advantages. The pastor then exhibited a plan for a church building with an estimate of the cost of its erection. After a brief explanation he gave opportunity for subscriptions. In a short time twenty-eight individuals subscribed $385. It is expected that the foundation will be laid within a few weeks, and that the building will be completed and paid for within a few months.

ENTERPRISING POLITICIANS.

Several of the enterprising politicians of this district turned out with rigs last Friday and by working hard aided materially in piling up the handsome majority by which William Bridges was elected school trustee for the coming term.

CHANGES MADE AT SAN LEANDRO.

SAN LEANDRO, June 5.—At the meeting of the Town Trustees last night resolutions were adopted declaring vacant the positions of Town Attorney, Street Superintendent and town official paper.

The resolutions are the result of the recent changes in the membership of the Board, and mean the removal of Town Attorney J. N. Frank and Street Superintendent Garcia.

A Small Blaze.

There was considerable excitement at the Hotel Metropole this morning, and for a time it was believed that there was a fire in the big building. It turned out, however, that a bale of oakum in the plumbing shop of H. T. Maddern at 1169 Clay street had become ignited, and that was the cause of all the trouble. The Fire Department was called out and extinguished the blaze after it had done damage to the extent of about $20.

CONTEST FOR A FRANCHISE.

Contra Costa Supervisors May Ask for Bids.

At the meeting of the Board of Supervisors of Contra Costa county in Martinez yesterday afternoon the question of granting a franchise for an electric railway from Point Richmond to the line between Contra Costa and Alameda counties, on the application of W. G. Henshaw and A. S. Macdonald of this city was considered. The applicants were represented by Attorney Tinney of Martinez.

McEwen Brothers of San Francisco, who desire a franchise over a certain part of the line asked for by Messrs Macdonald and Henshaw, were present. They, as well as the attorney representing the other applicants, urged the Supervisors to pass to print a resolution calling for bids for the proposed franchise.

The Board was not prepared to take action on the proposition at the time and continued the application for two weeks, or until June 18th.

At that time it is believed an advertisement for bids for the proposed franchise will be decided upon.

HOW JONES DID IT

OF COURSE A good many odds and ends accumulate around a home—and soon these odds and ends become a nuisance. But Jones was philosopher enough to figure out that somewhere in Oakland there was somebody who wanted just the things he (Jones) didn't want. So he told his troubles in a TRIBUNE "For Sale Miscellaneous" adlet. Result—A quick buyer. Now Jones is accumulating odds and ends as fast as possible, so he can make another "clean up." Have you ever used TRIBUNE "For Sale" ads?

WEBSTER STREET BRIDGE LITIGATION OVER

Judge Morrow, in the Circuit Court in San Francisco, yesterday sustained the defendants' demurrer in the suit of R. Percy Wright against Cotton Brothers and the Board of Supervisors of Alameda county. Wright objected to the manner in which the contract for building the new Webster street bridge had been awarded to Cotton Brothers, and also to the manner in which the work was performed, and sought to have the Circuit Court annul the contract. The demurrer of the defendants, however, was sustained, the Court holding that Wright's complaint was entirely inadequate.

The bridge has long since been completed and paid for, and the sustaining of the demurrer is a victory for Cotton Brothers and the Supervisors.

ORDERS FOR CLOSING THE CITY SCHOOLS.

Supt. M'Clymonds Gives Instructions to Teachers.

Tells Them All About the Plans for Next Term.

To the Principals and Teachers, Oakland School Department:—Please have all pupils who are promoted to the Tenth Grade and who intend to enter the High School next term, report at room 23, High School building, at 9 A. M., Friday, June 8th. Instruct all pupils who are promoted to the Ninth Grade and who intend to enter school next term to report at the Central or Franklin School buildings at 9 A. M., Friday, June 8th.

Those pupils who are excused from the High and Central Schools will report at their respective schools after 12 M. to receive their diplomas of graduation. High School and Ninth Grade teachers will use for records of promotion the blank formerly used.

The public schools will close on Friday next for seven weeks vacation and will open again on Monday, July 30th.

Principals will please give notice to all pupils that to secure a seat in the school building most convenient to them they must be present at the opening of school, or not more than the close of the first week of next term. Read and explain to the pupils the rule of the Board of Education relative to the above.

Furnish this office not later than Tuesday, June 5th, a list of your graduates from the Eighth Grade. Certificates for such graduates will be ready at the office of the Superintendent at 9 A. M., Friday, June 8th. Send for them.

No closing exercises are to be held earlier than Friday, June 8th, except as hereafter provided. Give regular school work up to 12 M. on Friday, June 8th. Have no work done on closing blanks during school hours until after 12 M., Friday, June 8th. Hold a brief session of your school after 12 M. on Friday, June 8th, after which dismiss your schools for the term, thus affording the teachers the afternoon to make out their reports.

Should any teacher or class desire to hold closing exercises on Friday afternoon, principals are authorized to close such classes on Friday forenoon in order to afford the teachers ample time to make out reports. Have such classes reassemble at 1 P. M.

Principals will carefully note the records of promotion before accepting them from the teachers and see that they conform to instructions in Cir. No. 20 of date February 19th.

Closing exercises of the Ninth Grade are to be held not earlier than 1 P. M., Thursday, June 7th.

No session of the Ninth Grade classes will be held on Friday morning, June 8th.

Please send in your requisitions for all janitor's supplies needed during vacation, getting all such requisitions in June.

Requisitions for next term's supplies must be made out and filed in this office not later than Friday, June 8th. Date all such requisitions July 1, 1900. Make out your requisitions for janitor's supplies for the year also. These requisitions must be made out in accordance with new contracts for the year 1900-1901. If you fail to receive a copy of this new contract book, you can obtain one by applying at this office any time after Tuesday, June 5th.

Principals will in person file the following reports in this office: Statistical reports for last five weeks of term; records of promotion not already filed; statistical reports for the year (no term report); segregate grammar grade pupils from primary pupils; statement of supplies on hand at close of term; requisitions for all needed supplies for next term and janitor's supplies for the year; a report from each teacher showing the number of pupils who have left school during the present term. This report is to include only such pupils as have left the Oakland schools. Do not include in this report pupils who have been transferred to other schools, but include only such pupils as are marked left on your statistical report and who have not re-entered school. Do not include pupils who have been marked left during the last month of the term; requisitions for supplies needed by the janitor during the coming vacation; send in your time reports Thursday afternoon. Report all teachers present on Friday who have been present on Thursday. Should any teacher be absent on Friday, report the fact to the office by telephone Friday morning; principals will send in reports of all needed repairs on furniture and buildings.

The warrants for one-half of the June salary will be ready at the office of the County Superintendent of Schools on Tuesday, June 12th, any time after 12 M. These warrants will be paid in cash.

Salary warrants for the last half of June will not be drawn until the State apportionment is made about July 17th. Notice will be given through the daily press when these warrants will be paid.

High School salaries for the first half of June will be paid on Saturday morning, July 9th.

On receipt of this circular, teachers of the Third, Fourth and Fifth Grade classes will send to the office their record books on language work in said grades. Have the books plainly marked with name of teacher and school, so that they may be returned at the opening of school next term. Teachers interested in this work are invited to call at the office and inspect said books during vacation.

Principals will arrange their classes for next term as follows: *Place in any given class room the pupils who can best work together for one term.* Make this arrangement irrespective of whether a class has been promoted or not. Take the following for illustration: Suppose a teacher has in her room now 24 "B" Fourth Grade pupils and 24 "A" Fourth Grade pupils. Neither division is now ready for promotion. The teacher and the principal know that 18 of the "B" Fourth Grade pupils are strong and will in six or seven weeks or less complete the "B" Fourth Grade work and be ready for "A" Fifth Grade work. The remainder of the pupils are known not to be able to complete the work with the group. Place the 18 pupils who will be ready in time to do advance work in a class room with "A" Fifth Grade pupils to constitute the low section of the Fifth Grade in a few weeks. Leave the 6 in the class with the "A" Fourth Grade pupils to constitute the "B" Fourth Grade when the "A" Fourth Grade pupils are promoted. If the Third Grade pupils are promoted at the close of the term, the pupils will occupy the room that was occupied this term by 24 "B" Fourth Grade and 24 "A" Fourth Grade pupils will be as follows: 6 "B" Fourth, 24 "A" Fourth and 18 "A" Fourth just promoted. This will give for working (6 "B" Fourth Grade and 1 "A" Fourth Grade) 6 "A" Fourth Grade and 18 "A" Fourth Grade). Give no "B" Fourth Grade work. Let the 6 who failed give some time to review with the 18 brighter pupils of the "A" Fourth.

Send in a "Report of Enrollment" of your school after classifying the pupils for next term. Do not attempt to classify your teachers. For the teacher's name use the letters "A," "B," "C," etc. Give the grade of the pupils, number of pupils in section or grade, fifths of the work completed.

DEMOCRATS OF NEW YORK IN CONVENTION

NEW YORK, June 5.—The Democratic State Convention met in the Academy of Music today. Prior to the meeting of the convention every precaution was taken by the leaders to avoid any appearance of friction in the proceedings. To this end there had been prepared a resolution providing that all resolutions offered by any delegate to the convention shall be referred to the Committee on Resolutions without debate.

The first delegations to arrive brought news that the majority of the leaders, including Hill, Murphy and Croker's representative, had decided that an endorsement of William J. Bryan, by instructing the delegates to vote for him at Kansas City, was sufficient endorsement of the principles recited at the Chicago convention of the principles recited at the Chicago convention in 1896, without having a platform endorsement, and that a conservative platform would be best.

The convention was called to order at 11:45 by Frank Campbell, chairman of the State Central Committee, who announced the selection of John T. Norton of Troy for temporary chairman.

Mr. Norton, on assuming the chair, attacked the administration of Governor Roosevelt, saying in effect that he had won his way to the executive office by false pretenses; that instead of doing "his own thinking" the Governor had taken his orders from Senator Platt.

The convention then took a recess until 3 p. m.

The Committee on Resolutions heard argument for over an hour by advocates of the Chicago platform of 1896. The committee took a recess at 2:40 p. m. until 3:15 p. m. without having arrived at any decision.

The Chicago platform advocates are desirous of not having any platform rather than have one refusing to reaffirm the Chicago platform.

The Committee on Selection of Delegates to the National Convention is hearing arguments on the availability of Augustus Van Wyck for delegate at large. The delegates, it is asserted, will be Richard Croker, Edward Murphy, David B. Hill, and Augustus Van Wyck, and the alternates, John F. Carroll, James F. Shevlin and Norman E. Mack, with one vacancy.

AMERICANS FIGHTING ON CHINA'S SOIL.

WASHINGTON, June 5.—The Secretary of the Navy has received the following cablegram from Admiral Kempff, commanding the United States ship Newark, lying at the Taku forts at the mouth of the Pei Ho river, dated Taku, June 5th:

"Engagement has commenced. Have landed force of fifty seamen more—battalion of marines.

"KEMPFF."

The cipher message is not entirely legible and it is supposed at the Navy Department that the Admiral means that he has landed fifty men to reinforce the battalion of marines already ashore.

COMMITTEE VINDICATES STEUNENBERG.

WASHINGTON, June 5.—The report of the Committee on Military Affairs, which conducted an exhaustive investigation of the Coeur d'Alene labor agitations and its exciting incidents, was submitted today, having been first approved by a majority vote of the committee, the minority favoring a substitute report which has already appeared.

The report says:

"First, the Governor of Idaho, in his efforts to establish order and enforce the laws of the State, is to be commended for his courage and fearlessness. The blind hatred excited by the mob, the consequent disturbance of public business, and the reign of lawlessness is in a fair way to be adjusted. The citizens of Idaho are to be congratulated on the removal of the dangerous cancer that had long threatened the peace and order of the State. Better ideas prevail as to the rights and duties of men in relation to the preservation of society, and this improved condition of affairs is in a great measure due to the conduct of the Governor of that State.

"Second, the conduct of the military in the trying hours from May 2d to the present, amid the disturbing elements of *the Coeur d'Alene, when fierce passions* flamed unchecked, when no hand was raised to stay the dynamiter and the murderer, where the mob had been supreme, is a matter of earnest congratulation to the country."

NOTICE IS HEREBY given that in accordance with the provisions of Chapter 53 Statutes of 1899, all voters of Alameda County must apply for re-registration in order to be able to vote at the General Election in November.

Owing to the fact that there is no provision of law providing assistance for the Clerk to register voters, IT IS IMPORTANT THAT VOTERS SHOULD APPLY FOR REGISTRATION AT ONCE IN ORDER TO EXPEDITE THE WORK.

Such re-registration began on the 1st day of January, and will be in progress at all times until forty days preceding the next election in November.

In order to facilitate the work of re-registration, attention is called to the provisions of Section 1097, which reads as follows:

Sec. 1097. No person's name must be entered by the Clerk, unless:

1. Upon the production and filing of a certified copy of the judgment of the Superior Court directing such entry to be made.

2. If a naturalized citizen, upon the production of his certificate of naturalization, which certificate must be issued ninety days prior to the succeeding election, or upon his affidavit that it is lost or out of his possession, which affidavit must state the place of his nativity and the time and place of his naturalization, together with his affidavit that he has resided in the United States for five years, and in this State for one year next preceding the time of application, and that he would be an elector of the county at the next succeeding election; provided, however, if such naturalized citizen shall have been previously registered as a qualified elector in any of the counties or cities and counties of this State, his name must not be entered by the Clerk unless he produces a certificate of such registration, issued by the party authorized by law to issue such certificate, which certificate shall be prima facie evidence of his naturalization.

3.—If born in a foreign country, upon his affidavit that he became a citizen of the United States by virtue of the naturalization of his father while he was residing in the United States, and under the age of twenty-one years, and that he is or would be an elector of the county at the next ensuing election.

4.—In other cases, upon the affidavit of the party that he is or will be an elector of the county at the next succeeding election."

Further notice is hereby given that Affidavits of Registration must be sworn to before the County Clerk or his deputies, and that they can not owing to the provisions of the new Registration Law, be sworn to before any other officer.

The office of the County Clerk will be, until further notice, open for registration from Nine A. M. until Five P. M. each day.

KELLERCLOTHES

H. A. CHITTENDEN MAKES A REPLY.

Answers the Charge Made in the Letter of Dr. J. M. Selfridge.

Editor TRIBUNE:—My acquaintance with Dr. J. M. Selfridge is too valued, although slight, and my reverence for his piece in his profession and his long life of good deeds is too great, to admit of my having a serious controversy with him in any form.

As the art of Galen is not one of the liberal professions which I have acquired, it needed not so elaborate and articulated an argument by Dr. Selfridge to convince me at least of my "ignorance" of the technique of that exalted science. Neither do I think that Dr. Alonzo S. Larkey is in any dire need of a defense at my hands of his professional standing.

I have never known him to make any claim of supreme priority in the direct and unconfined application of the X ray to tuberculosis. If, by implication in my communication to THE TRIBUNE, I seemed to credit him with that priority, the circumstances were, as Dr. Selfridge so frankly states, due to my "ignorance" as to whether any other physician in this commonwealth or region had successfully made such an application.

Without pausing to examine all the current medical literature, of which I confess my habitual "ignorance," I have assumed that there must be somewhere in the world practitioners who with contemporaneous have felt, and acted upon the same logic which moved Dr. Larkey.

At the same time, I may say to my friend Dr. Selfridge that he will confer upon me a great kindness and spare one and possibly two of my afflicted friends in the East the trouble of crossing a continent for treatment by Dr. Larkey, if he will give me the address of any physician there, of equal repute with Dr. Larkey as a successful general practitioner, and as a trained physician and surgeon, who has obtained similar omens of success in this new use of the X ray.

My "ignorance" of the fact that Dr. J. M. Selfridge himself suggested the happy experiment of the X ray, in his own case as patient, must be attributed only to the extreme modesty of Dr. Selfridge. Whatever apologies therefore may be due, either to Dr. Selfridge or Dr. N. H. Chamberlain, for any confusion in my inferences on this point I herewith cheerfully make.

My critic by indiscretion accuses Dr. Larkey through me of "rushing into print" about the results of his tuberculosis treatment. In the same breath he censures me for accusing Dr. Larkey of concealing methods "on lines entirely his own." It strikes me that there is a slight inconsistency in these simultaneous criticisms. They are disposed of by the statement that Dr. Larkey, up to the present moment, has made his explorations on this supremely important subject with the quietness and modesty characteristic of the profession of which he and Dr. Selfridge are alike ornaments.

I may be permitted to say on this point, that as a professional journalist I am not in the habit of submitting my writing to any other censor than my Editor, except in those cases where time and opportunity of presenting an interview for verification. It was my profound sense of the momentousness of this outlook into the domain of medical science, presented by Dr. Larkey's enterprise and faith and skill of what Dr. Frederick G. Canney of San Francisco, has called "the evolutionary value of the X ray"—and my heart-wrung appreciation of the urgency of the many sad cases that I have latimately met in my travels in our South, *that are alone responsible for my "rushing into print."*

I may not argue with Dr. Selfridge on his definitions of sunlight and electricity. But I may inform him that my description of the X ray as "the quintessence of sunshine," was a journalist's rather than a scientist's recognition of the fact that, so far as science now knows, all manifestations of electricity have their origin in the sun. What, and how many attributes of the sunshine reside in the Roentgen ray, is now the problem, the unknown "x" in the equation, which Dr. Selfridge's honored profession is trying to solve. That Dr. Selfridge himself is not really inhospitable to the achievements of Dr. Larkey on these lines, is proved by the fact that a physician of his name has availed himself of Dr. Larkey's electric plant to treat a tuberculosis patient with the X ray.

I find myself charged, somewhat justly perhaps, with "ignorance" for my statement that the bacili of tuberculosis are destroyed by direct action of the sun in two hours, whereas Dr. Selfridge gives the period as twenty minutes.

Now it hangs in my memory that at least two physicians in Oakland and two others in Arizona, as well as one of the most accomplished lawyers and statesmen in this city and commonwealth (open, however, to the overwhelming charge of "ignorance" in that he has never graduated in medicine) mentioned to me that the sun killed these bacili in, or inside of two hours.

Here again I was too impetuous to consult the medical digests. Had I given the time as twenty minutes, when any single investigator has reported two hours, I should have been guilty of serious inaccuracy. According to the authority of Dr. Selfridge, which I unhesitatingly and gratefully accept, I was exactly one hundred minutes within the bounds of scientific truth. For that sort of looseness I trust an ignorant layman may be pardoned.

If under this statement of facts I owe Dr. Larkey "an apology" for the public concern about his professional standing, of which Dr. Selfridge has made so studious a "culture," I will cheerfully make it. Otherwise I will limit my apologies with all cordiality, to Dr. Selfridge.

DEWEY PACKED TO THE DOORS.

A Splendid Success Is Scored By Sapho.

Standing room was at a premium at the Dewey last night. The theater was literally jammed to the doors by an audience that assembled to see the much-discussed and roundly-abused "Sapho." Right here let it be said that "Sapho," at least as it is given at the Dewey, is distinctly not an indecent play. To be sure, it is French, and the French dramatists do not write for gum-chewing school girls, but for all that there is nothing in the performance at the Dewey at which the local purists, the people who crowd the Macdonough to see "Camille" or "Magda," need go into hysterics over.

Furthermore, "Sapho" is a powerful drama, a study of life on its seamy side, it is true, but one which makes no attempt to render sin attractive, and points the world-old moral that its wages is death. The plot of the play is skilfully constructed, its dialogue is interesting and incisive, and the climaxes, while thrilling in the intensity of emotion portrayed, are not overstrained.

The work of the Stevens Stock Company deserves high praise. There was not a weak spot in the cast, and for a first performance of such a difficult play, "Sapho" was given with remarkable smoothness and finish. Fanny Gillette played the title role and surprised even her staunchest admirers by the heights of dramatic power to which she rose, especially in the last act. Lander Stevens as the infatuated young man whose mad passion for a sinful woman constitutes the tragedy of "Sapho," portrayed the part with tragic intensity. Both he and Miss Gillette were liberally applauded. The other roles were well sustained. The scenery is a strong feature of the production, and "Sapho" will undoubtedly do an enormous business.

EMPRESS DEFIES UNITED POWERS.

EMPRESS OF CHINA.

Dowager Will Face All Europe in Protection of the Boxers.

SHANGHAI, Monday, June 4.—The Shanghai Gazette says it has the highest authority for stating that the Dowager Empress has ordered the Tsung Li Yamen to face all Europe *rather than to interfere with the Boxer movement.*

Elsewhere it is asserted that the Viceroy has ordered troops to oppose the further landing of parties from foreign warships, and that the troops now engaged in operations are designed to prevent further foreign reinforcements reaching Peking.

REIGN OF TERROR EXISTS.

TIEN TSIN, June 5.—A representative of the Associated Press visited Huang Tsung on the Peking Tien Tsin Railway, today and found that the station had been burned and two bridges burned.

The officers commanding the Chinese troops there said that 200 of his men had bolted and only fifty remained. These fought well, killing a number of the Boxers. The bolting troops were badly cut up in the adjacent broken country. It is stated that sixty were killed or wounded. Some of their bodies were recovered, frightfully mutilated.

Bands of Boxers are patrolling the country, but have not interfered with the party of Associated Press representatives.

All Chinese railroad employes are deserting their posts, and the troops sent to guard the stations appear to be worse than useless. A guard of 250 sent to Feng Tai bolted at Lu Kow Chao yesterday morning when they heard of the trouble at Huang Tsung.

SIX COMPANIES STILL FIGHTING THE QUARANTINE.

Apply for Injunction Against Health Board.

No More Deaths or Suspected Cases Reported from Chinatown.

Associated Press Dispatches by The Tribune's Special Leased Wire.

SAN FRANCISCO, June 5.—The Health Office reports nothing new in the plague situation, there being no deaths or suspected cases reported within the last twenty-four hours.

The attorneys for the Chinese Six Companies will today apply for an injunction in the Federal Court to prevent the Health Board from further interfering with the liberties of the Chinese in the quarantined section of the city.

COLORED SECRETARY FINED BY JUDGE.

C. E. Disard, the colored secretary of the Cosmopolitan Social Club (incorporated) was fined $30 for selling liquor without a license, by Police Judge Smith this morning. Disard tried to secure a liquor license recently, but the Council refused the application. Then the club was incorporated, the police claim, in order to evade the law. This morning Disard promised that he would refrain from selling liquor until he could secure a license, and Judge Smith imposed the nominal fine.

DEATH OPENED PRISON DOORS FOR ALLEN.

Old Man Dies in Cell in County Jail.

Was Waiting for a Decision of the Supreme Court.

Death has opened the prison doors for aged William H. Allen, who has been confined for about a year in the County Jail pending the appeal of his case to the Supreme Court. He died in his cell yesterday afternoon, after an illness lasting several months. He was 72 years of age.

At one time Allen was a prominent attorney in this State. Speculation, however, resulted in financial reverses, and of recent years he has been struggling hard to make a living.

His incarceration was the result of a fraudulent deal he made with John Linderman. He agreed to exchange property in Contra Costa county for the Winters Hotel in this city. After securing possession of the hotel he sold the furniture and was preparing to leave the city when apprehended. He had failed to make the transfer as he had agreed to do. He was tried before Judge Ogden and found guilty of obtaining money under false pretenses. He was sentenced to serve five years in San Quentin for his offense. An appeal, however, was taken, and not being able to furnish bail, Allen has been compelled to remain in confinement. Altogether he has been in jail about two years. His only relative is a son, William C. Allen, who is employed by Otto Muser of Vineyard Station, Sonoma county.

WAS PROBABLY HIT BY ELECTRIC CAR.

Harry Marshall, a colored inmate of the County Infirmary, aged 60 years, was found last night near the San Leandro road in an unconscious condition, and with a fractured skull. It is supposed that he walked too near the track and was struck by a passing car. He was removed to the Infirmary, where an operation was performed. He will probably recover.

ABE MAJORS WILL BE SHOT TO DEATH.

Supreme Court Declares Him to be an Outlaw.

Oakland Boy Will Now Pay Penalty of His Crime.

A dispatch from Salt Lake says:

Abe Majors, alias James Morgan, who killed Police Captain William Brown near Hot Springs, Ogden, on Sunday, April 29, 1899, will be shot to death. The Supreme Court of the State today affirmed the decision of the lower court. The concluding sentence of the opinion was:

"The judgment and sentence of the District Court is affirmed and the cause remanded to said court, with directions to execute the judgment and sentence in accordance with law."

The sentence of the lower court is that within the confines of the Utah State Prison, Majors should be shot to death, he choosing that method to die when asked by the Judge whether he preferred being hanged or shot. The opinion of the Supreme Court is unanimous, and in conclusion says:

"From his first introduction the defendant appears to have been an outlaw, having no regard for the rights of life, liberty or property of others, and in defense of his own criminal acts deliberately took the life of the brave and fearless Captain Brown, and it was no fault of either he or his companion that the lives of Sheriffs Cordon and Belknap and the other valiant men composing the pursuing party were not also taken. It is a source of gratification to all law-abiding people that the State contains within its borders such courageous, fearless and high-spirited men, who are willing to endanger and lay down their lives in enforcing the law and in protecting the lives and property of the people of the State."

When the announcement was broken to Majors, who was confined in the State Prison, he showed some little emotion, but only said: "I am terribly surprised and sorry on my mother's account, whose home is in California."

(Abe Majors is an Oakland boy. He was sent to prison for burglaries committed in this city. His mother lives here. Some years ago his father was executed in the County Jail in Oakland for *murder.*)

AN EXCITING DOUBLE RUNAWAY.

There was an exciting double runaway and smashup at Grove and Twentieth streets at 6 o'clock last evening, and Joseph Hunter, the driver of the team that started the smash-up, had a narrow escape from death. He is employed at a stable on the corner of Twenty-fourth street and Telegraph avenue, and was driving a team belonging to the telephone company attached to a big work wagon. While crossing Seventeenth and Grove streets the reins broke and the horses bolted.

At Twentieth street they collided with a wagon owned by R. Franke of the Oakland pickle works. Hunter jumped just before the collision, but fell in front of his own wagon. He was kicked by a horse and the wheels passed over him, but he is not seriously hurt.

The shock stopped the telephone company's team, with the wagon little damaged. Franke's team ran several blocks, and the wagon and contents were wrecked.

METCALF CLUB IS FORMED.

At a recent meeting held at Schmidt's Village, a thriving town in Contra Costa about five miles north of Berkeley, steps were taken to organize a Metcalf Republican Club.

There were 243 citizens present at the meeting, which had been called for the *purpose of selecting a name which would* be suitable to the Postoffice Department, which is about to establish a postoffice at that point.

At the close of the meeting George Schmidt, the founder of the village, proposed that Congressman Victor H. Metcalf's candidacy for re-election be endorsed.

The proposal met with an enthusiastic reception and was unanimously adopted.

Steps were immediately taken to organize a Metcalf Club, and an active campaign in favor of Mr. Metcalf's nomination will be carried on.

The list of names sent on to Washington from which one is to be selected as the name of the new town are: Cerrito, Harmony, Judson, Altona and Isabelle.

LECTURED ON CARDINAL NEWMAN.

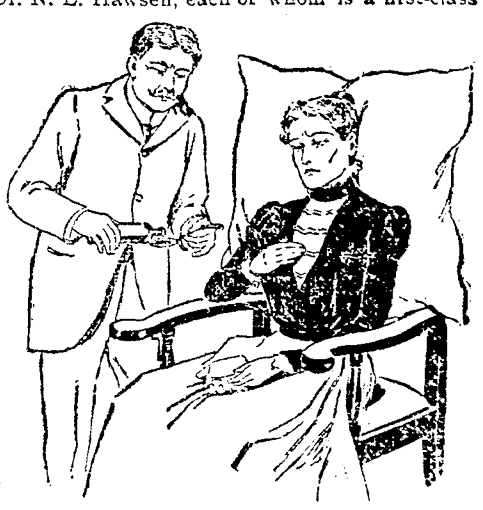

St. Francis de Sales Hall was filled last evening with people who had assembled to hear Henry Austin Adams deliver his address on "Cardinal Newman." The speaker said in part:

"Cardinal Newman was a man who lived on the clear mountain heights of a master mind and intellect. His was the influence which brought England out of three hundred years of stolid conservatism and gave light unto the great world and hope into a million of dark souls.

"Perhaps you think I claim too much for this man whom half of you have not heard of, but go to any of the great universities of the land and tell the English professors that you want to learn English in its highest and purest form, and they will tell you to read John Henry Newman. He has lifted the plane of controversy between religions so high that small and little minds can no longer tread where he has walked.

"People at one time thought the Catholic Church a refuge for weak minds, but when John Henry Newman, the greatest Protestant divine in England, deliberately at the age of 45 years, when he was at *the full height of his glory, went into the* Catholic Church, people simply scratched their heads and said, 'how did they catch him?' In my mind, and may I say I know it to be a fact, you could take all the brains that there are here in this huge city of Oakland and lose them in the nooks and crannies of Cardinal Newman's great brain. Ignorance cannot be confused with Catholicism while such a protector as Cardinal Newman stands at the portal."

Read This, Consumptives

"From the way my wife coughed for six months, I knew she had consumption. She showed it in her face, too, and her body wasted away to a mere skeleton. After she got down in bed the doctors couldn't do any good. I called in both Dr. T. A. Shannon and Dr. N. L. Hawsen, each of whom is a first-class physician, but they had nothing that would reach the trouble in her lungs. My wife's father came to see her one day, when she got very low. He lives in Cedar Lake, Wis., while we live in Rice Lake, Wis. He said he knew what was needed, and made me get a bottle of Acker's English Remedy for Consumption. I went to Schmidt's, our local druggist, and got a bottle, and it helped her right away. She took eight 50c. bottles, and they put her back on her feet and made her as sound and well as any woman in town. She has taken on flesh again, she doesn't cough, and if any one who doesn't know the facts was to be told she was so near death with consumption, he wouldn't believe it. My wife does all her housework, and at night sleeps as soundly as you please. Her stomach no longer gives her any trouble at all. Maybe you doubt what I am telling. If so, I advise you to see J. N. Schmidt, the druggist who sold me Acker's English Remedy for Consumption: He'll tell you the same thing. He says Acker's English Remedy is wonderful in all throat and lung troubles; that it is sold on a guarantee to cure, or money returned, and he never yet had a bottle come back to his store, although he has sold hundreds of them. My name is Luther Bedell, Rice Lake, Wis."

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c., 50c. and $1 a bottle in United States and Canada. In England 1s. 2d., 2s. 3d., and 4s. 6d.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

MRS. FINK APPEALS HER DIVORCE SUIT.

Mrs. May E. Fink does not propose to quietly accept the decision of Judge Hall denying her a divorce from her husband. Yesterday Judge Hall handed down an order denying her a legal separation, but *allowing her $85 a month for the support* of herself and daughter. Today, through Attorney H. C. McPike, Mrs. Fink filed a notice that she would appeal the case to the Supreme Court. This means that the long history of their family troubles and dissensions will again be rehearsed. The attorneys for the husband, Alonzo W. Fink, are Reed & Nusbaumer. The Finks are well known in Alameda society. The trial of the case has been full of sensational features.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is *wonderfully improved* and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Osgood Bros., Druggists, cor. Seventh and Broadway.

is produced from vines that were imported from the Sauterne District of France in 1884. No foreign white wine can compare with it, being mellow, rich in flavor and lacking the acidity so common in most dry wines. No matter how long in bottle it is absolutely clear. It is remarkably cheap for its type of wine.

Water vs. Whiskey in Nome.

Whiskey is a necessity in Nome because the water is so bad there and therefore if you go to Nome be sure to take some

ATLAS BOURBON
of Mohns & Kaltenbach's,
29 Market St., S. F.

along. That firm is doing the biggest Nome trade and knows exactly what is wanted. Some good brandy such as is put up by them is also advisable, and their Celery Pepsin Bitters is the best preventative of fever. Be sure to buy your supplies of them because you have to pay five prices in Nome.

A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Acker's English Remedy, and I thought I would try it, although I confess that down in my heart I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak also, and he cured himself with the same grand old remedy. Our boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes with croup, because here is a certain remedy that will conquer the terrible monster every time."

(Signed) Mrs. Floyd Fowler.
